- 2 Stage from £299

Subject to paint inspection

About us...

We are an independent small family run business providing a high quality, fully mobile and self contained car detailing and valeting service in the Hull & East Yorkshire area.

- We only use top leading brands like Mequires, Gyeon, G-Techniq, Chemical Guys & Auto Finesse.
- We accept bank transfer, PayPal, onsite card payments & cash
- Our van is fully self sufficient; we carry our own water supply & power.
- We are fully insured & DBS checked (documents available upon request)

SCAN ME TO READ OUR REVIEWS

The small print...

- We love extremely dirty vehicles - but these may incur a surcharge; Pet hair removal / mould / particularly soiled interiors that require extra attention.
- Each service is tailored to the vehicles needs. If it is in the vehicles best interest, we may add, substitute or remove a stage.
- Jobs outside the Hull boundary may incur a travel cost.
- All bookings are subject to weather conditions. We may need to reschedule at short notice.
- We may require a booking deposit to secure your appointment
- Please check our website for current prices

Please note: Don't confuse Auto-Shine.uk with any another similar sounding valeters in the area.

Paint Protection Upgrades...

Ultimate hand polishes & paste waxes

Using high end polishes & waxes designed for the colour of your vehicle. 3-4 months protection for the ultimate shine. From £25

Graphene Wax. This ultra hydrophobic, slick wet look wax is 100 times tougher than steel, creating a seal that protects the paintwork. It also has other fantastic benefits including chemical & abrasion resistance. 6-8 months protection. From £45

Ceramic Hyperwax. Fantastic hydrophobic properties & a superior shine for up to 12 months. A ceramic based hyperwax which offers year long protection against the elements & contaminants. We use this on our own van and we love it. From £65
